

Neyland Express revised map

Here is the revised Neyland Express route reflecting the bus stopping at the Ag Campus – BOTH – on the way to Sorority Village and returning to main campus.

Why is the route taking longer?

As a result of the Phillip Fulmer road closure, the new route now goes through 4 more traffic lights, than the fall trip.

- Travel while classes are in session – 15 minutes
- Travel during class change – 25 minutes or more

Solutions

- Additional bus has been added to the morning rush from 7am to 1pm
- Allow at least 30 minutes from leaving Sorority Village bus stop to arrive at Gate 21.
